GET YOUR TEAM ENERGIZED WITH FRESH AND HEALTHY OPTIONS AT DEKEFIR!

deKEFIR™ is all about bringing you fresh kefir made right here in Toronto. We'll dress it up for you with all sorts of goodies, and strive to hook you up with seasonal offerings grown in Ontario soil.

Kefir is a great source of energy. Made with 100% cow's milk, fresh kefir contains no added sugar or additives. When planning your next meeting, instead of ordering a heavy breakfast or sugary snacks that bring on the Zzz's during your meeting, try deKEFIR, the healthier alternative.

MIX IT UP!

Start your morning with a kefir parfait dressed with fresh fruit, nuts, and granola made in-house with just a touch of honey. Or, try our hot oatmeal pair with your choice of toppings.

For a novel treat to refresh your hardworking group in the afternoon, try a tart and tangy frozen kefir that's sweetened with organic cane sugar.

You can pair it with a plethora of healthy toppings, or even make it fun with cookie bits and candy pieces (a little chocolate never hurt anyone!)

deKEFIR can customize your order to accommodate gatherings of all sizes and any number or combination of toppings to fit the specific needs of your occasion.

Give us a call to place your order or for additional menu options and pricing info. Alternatively, you can send us an email at info@deKEFIR.ca.

When we speak of “gourmet” burgers, we don’t use the term loosely. Our burgers are piled high with unique and delicious toppings like beef eater onion rings, potato chips, guacamole, tzatziki, grilled vegetables, crisp bacon, various cheeses... (and the list goes on).

QUALITY PRODUCTS

Our product quality is unmatched. We use only the very best ingredients to make your food. Our burgers consist of lean ground beef. Our chicken and beef wraps are made with fresh meat, never frozen. Our produce is locally sourced to maintain the highest quality.

MADE IN-HOUSE

If there is one thing we can all agree on, it’s that there is no comparison between hand cut fries and frozen. It’s night and day. We specialize in hand-cut fries which are cut daily on site and cooked to order using our Trans Fat Free, Cholesterol Free, Canola Oil.
